

A very warm welcome to #LovingAfterSchoolClubs Years 1 – 6, Autumn 2017

Hello and a very warm welcome back! We are raring to go and take great pride in offering an exciting variety of rewarding and enjoyable activities. Our clubs are a super place for children to explore and develop skills, interests and talents, make new friends and most importantly have fantastic fun! They are led by members of the Grazebrook team, families and specialist tutors from school community and beyond. Our tasty timetable springs back into action on **Monday 18th September 2017 (final club session Thursday 14th December)**, so that's 11 weeks of loveliness to look forward to.

We are always interested to hear what you guys think of our After School Clubs. It really does help. Please let us know your thoughts about the following statements. Thank you for taking the time to help us.

It's really easy to be involved, so take a look at the timetable of fabulous hourly activities that are available on **Monday, Tuesday, Wednesday and Thursday** for your children to enjoy and follow the steps below:

We are also delighted to say that there is a £10 book token up for grabs for the best idea or suggestion.

Take your pick of the clubs overleaf. Complete and return the club request to the drop box located by our school office by 9am Wednesday 13th September.

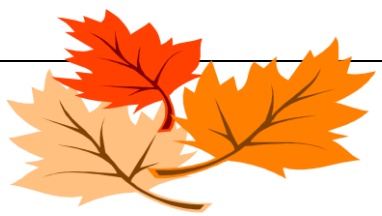

We will reserve places and confirm in a letter home with the children on Thursday 14th September.

After School Clubs launch on Monday 18th September (Hooray)! Children – Bring a smile and ENJOY! Families – don't be late - collect happy children at 4.45pm from our main entrance.

Log on to Parentpay and make a secure payment online of £22 per club by selecting the activity you are paying for from the selection that you see on screen. Unfortunately, where accounts are in arrears, children will not be considered for any activities.

After School Clubs are good value.
The variety of clubs is exciting.
The children find club sessions engaging.
Signing up each term works well.
Top idea to improve After School Clubs.
