

Don't forget to read your Accelerated Reader Books and write three entries in the Reading Journal, practise your Weekly spelling words in time for your test and learn your times tables.

- Write a non-chronological report about the Cradle of Humankind from our host country South Africa.

- Find out about the work of the palaeontologist Mary Anning. Use this information to write a biography about her life.
- Find out who Charles Darwin was and write an explanation text about him and his theory of natural selection.

Knowledge Tasks:

Year 6 Home Learning is due to be completed and returned in your Purple Book by Friday 16th December 2016 Please remember that you should try to complete at least three pieces of Home Learning from the passport.

Skills Tasks:
- To design and create a model of a time period we have looked at in our IPC topic e.g. Pre-Cambrian, Cambrian etc. It can be made using resources around you or computer generated.
If the model is large and impossible to bring to school, please take photos of the building process and of the final product.
- To create a DNA strand model. Follow the procedure above if the model is too large.
- To make a poster or model of an animal, in its own habitat. Label and explain the animals' adaptations to its environment.

Home Learning at Grazebrook

At the beginning of each half term, class teachers set the 'Home Learning Passport' activities for English and IPC. You should choose to complete at least one of the activities from each of the two areas but you can choose to do more. These can be completed in your purple book or, if they are a model or project, they can be completed separately. These pieces can be handed to the teacher any time before the date given inside the booklet. Each Friday, class teachers will give Mathematics home learning and a comprehension activity in your book. This will reflect on the work you have been completing in class. This should be completed in your purple book and returned for marking by Wednesday of the following week.
