

**Maths:** Do some Market Research amongst your friends, family, classmates and teachers to find out their favourite and least favourite kinds of bread. When you have collected data from 20 people you can show your findings in a graph. Write a conclusion of your findings.

**Science:** Make a poster or a 3D model for Year 3 of either the eye or the ear. Label the different parts and explain what each of them do, in a way that a Year 3 child could understand.

**Knowledge Tasks:**

Year 5 Home Learning is due to be completed and returned in your Purple Book by Monday 27th March 2017. Please remember that you should try to complete at least two pieces of Home Learning from the passport.

**Skills Tasks:**

**DT:** Design your own breads -

research different flavoured breads using the internet, or looking around the supermarket or markets. Create a recipe and test it on your family. Record the feed-back from your family using photos, feed-back forms, taking notes etc.

**Writing:** Write down your bread recipe with equipment, ingredients and instructions on how to make it. Add illustrations so it is really clear.

Don't forget to read your Accelerated Reader Books and write three entries in the Reading Journal, practise your Weekly spelling words in time for your test and learn your times tables.

**Home Learning Passport**

**Year 5**

**Spring 2**

**2016/17**

**Home Learning at Grazebrook**

At the beginning of each half term, class teachers set the 'Home Learning Passport' activities for English and IPC. You should choose to complete at least one of the activities from each of the two areas but you can choose to do more. These can be completed in your purple book or, if they are a model or project, they can be completed separately. These pieces can be handed to the teacher any time before the date given inside the booklet. Each Friday, class teachers will give Mathematics home learning in your book. This will reflect on the work you have been completing in class. This should be completed in your purple book and returned for marking by Wednesday of the following week.
