

HOME LEARNING MAKER MAT

**Please return your completed activities by Monday 5th
February**

**Make a wind-
mill, or a wind
turbine. It
must move in
the wind!**

**Conduct an opin-
ion poll, ask
friends, family
and neighbours
about erecting a
wind turbine in
Stoke Newington.**

**Report your
findings,
include a graph
(with title,
labels, key).**

**Draw a map of
your home and
garden, show
how the sun
moves around
the space over a
day. ☀️**

Year 5

**Create a per-
suasive poster
for Grazebrook
about energy
saving measures
we can take at
school.**

**Make a moving
model that uses
an energy supply
of your
choosing.**

**Use Lego
(invented in
Denmark!) to
make any model
related to our
topic.**

**Paint a picture
of a famous
Danish building,
statue, city,
scene or person,
make sure you
have a caption!**
