## Message From Mrs Thomas

**Welcome to the very first edition of New Wave News, our Federation Newsletter.**

Once a month I will be sharing important federation information, news and all great things New Wave! There will also be a section with messages from our Governors. For our first edition, I have included a very small sample of what our amazing Governors do for the federation.

I will be holding a series of coffee mornings over the next couple of months where you will have the chance to ask questions about school priorities. The first of my coffee mornings will be at Shacklewell. I will let you know the dates for the other schools in due course.

Our amazing Year 6 children have their SATs week commencing 8th May 2017. We are inviting them to attend a special breakfast from 8th-11th May. The breakfast will be served from 8.00am on these four mornings. The Year 6 staff team and senior staff will be present to give them encouragement and moral support. Good Luck to all of the children, we know how hard you always work.

Dear Mrs Thomas,

I would like to congratulate you, your staff and your pupils for the very high level of progress pupils in your school are making.

Your school's results, as published on 15 December, show that your school is amongst the top 3% of schools in England in terms of the progress your pupils make between key stage 1 and the end of key stage 2 in English reading, writing and mathematics.

We want to ensure that every child has the necessary fluency in reading, writing and mathematics to prepare them for a successful secondary education and beyond, and your school has provided this.

Thank you for your hard work and professionalism in producing such high standards and congratulations again to you and your staff for all you have achieved.

With best wishes.

Yours sincerely,

Nick Gibb MP

I was incredibly proud when Ms Reid received this fabulous letter through the post at Shacklewell. Congratulations to all of the Shacklewell Team and to our amazing children for coming in the top 3% in the country!

What an achievement—I feel highly privileged to be part of such a great team with Ms Reid.

Mr Hewie and I felt incredibly privileged when Woodberry Down was visited by none other than Tim Cook, Apple CEO.

Mr Cook visited four classes during his visit where he observed some of the amazing work the children do using iPads. He was highly impressed by the skills the children displayed and so are we.

Back in February, the Hackney Empire hosted the annual Hackney Sports Awards ceremony. We are delighted to let you know that Grazebrook won the Young Hackney Primary School Sports Award! Grazebrook won this for their commitment to sport and competition within the curriculum and beyond.

Congratulations to the team –Sue, Bev, Coach Ryan, Coach Joe and to all of the amazing children who have taken part in the many events throughout the year so far. We are now the very proud owners of a super shiny trophy. Well done!
