

Don't forget to read your Accelerated Reader Books and write three entries in the Reading Journal, practise your Weekly spelling words in time for your test on Thursday and learn your times tables.

Write a tourist leaflet on a volcanic area. Give information on why it is a great place to visit. Research an international relief charity e.g. Red Cross. Find out what they do to help people after a natural disaster.

- Create a poster to persuade people to donate to an international charity that helps people after a natural disaster.
- Write a tourist leaflet on a volcanic area. Give information on why it is a great place to visit.
- Research an international relief charity e.g. Red Cross. Find out what they do to help people after a natural disaster.

Knowledge Tasks:

- Experiment to create your own liquid that flows like lava.
- Design a tool or machine that will measure the strength and scale of earthquake tremors.
- Use any medium to create a scene of a town after an earthquake. (drawing, painting, sculpture or animation)

Skills Tasks:

Year 4 Home Learning is due to be completed and returned in your Purple Book by Monday 27th March 2017. Please remember that you should try to complete at least three pieces of Home Learning from the passport.

### Home Learning at Grazebrook

At the beginning of each half term, class teachers set the 'Home Learning Passport' activities for English and IPC. You should choose to complete at least one of the activities from each of the two areas but you can choose to do more. These can be completed in your purple book or, if they are a model or project, they can be completed separately. These pieces can be handed to the teacher any time before the date given inside the booklet. Each Friday, class teachers will give Mathematics home learning in your book. This will reflect on the work you have been completing in class. This should be completed in your purple book and returned for marking by Wednesday of the following week.
