

Don't forget to read your Accelerated Reader Books and write three entries in the Reading Journal, practise your Weekly spelling words in time for your test and learn your times tables.

Imagine an Iron Man or Iron Woman comes to Grazebrook School one day.  
 Can you re-write the modern fairy tale that we have read and learned about in Writing Weeks? You could make a book? Or use Book Creator if you have the App?  
 What would the children do?  
 What would the Iron Giant see?  
 What would the Iron Giant hear?  
 What would they say and feel about the school?  
 How would your short story end?

- Where is it found?
- What does it eat?
- What are its main physical characteristics?
- What makes it an endangered species?
- Any other interesting facts?

You may need adult help for this.  
 Research an on-line format of an animal fact file that you can use as your model. For your chosen animal write:

Can you create a Rainforest Animal Fact File?

Year 3 Home Learning is due to be completed and returned in your Purple Book or for display by Monday 27th March 2017. Please remember that you should try to complete both pieces of Home Learning from the passport.

### Home Learning at Grazebrook

At the beginning of each half term, class teachers set the 'Home Learning Passport' activities for English and IPC. You should choose to complete at least one of the activities from each of the two areas but you can choose to do more. These can be completed in your purple book or, if they are a model or project, they can be completed separately. These pieces can be handed to the teacher any time before the date given inside the booklet. Each Friday, class teachers will give Mathematics home learning in your book. This will reflect on the work you have been completing in class. This should be completed in your purple book and returned for marking by Wednesday of the following week.
