- Draw/paint a picture of your ideal holiday. Where would you go? What would you do there?
- Have you ever been on holiday? Write a recount about what you did and where you went.
- Can you make a 3D map of a country you would like to travel to? Find it in an atlas or use Google Earth to discover its landscape and famous places.

Home Learning at Grazebrook

At the beginning of each half term, class teachers set the 'Home Learning Passport' activities for English and IPC. You should choose to complete at least one of the activities from each of the two areas but you can choose to do more. These can be completed in your purple book or, if they are a model or project, they can be completed separately. These pieces can be handed to the teacher any time before the date given inside the booklet. Each Friday, class teachers will give Mathematics home learning in your book. This will reflect on the work you have been completing in class. This should be completed in your purple book and returned for marking by Wednesday of the following week.
