

## Computing

*Our Computing learning unit is called 'I am a photographer.'*

*We will be using i-pads across to take portrait photographs of each other. We will be learning about how to save, store and retrieve our photographs, as well as how to change them using the "Paint" App. Children will be using a range of apps across the curriculum.*

## Physical Education

*We will be playing a range of games with the PE coaches on Fridays to develop our co-ordination and teamwork skills. We will also be having dance lessons.*

*Please ensure your child comes dressed in their PE kit every Friday.*

Autumn 1  
2016**

## Religious Education

*In RE this term we will learn about Christianity and the harvest festival.*

*We will learn about Christian creation beliefs and sharing with others.*

*We will read some Bible stories to learn about Jesus, we will learn about caring for others such as the poor and those in need.*

## Please Remember

*Maths Homework and Spellings will go home every Friday. Homework must be returned on Wednesday. Spellings will be practised on Monday with "show me what you know" on Fridays.*

*The Homework Passport includes creative projects linked to English, our Class Reader, "The Enormous Crocodile" and our IPC topic "Ourselves—Who Am I?" This must be completed by Wednesday 18.10.16.*

# Year 1

## Ourselves—Who am I?

## IPC Topic

We will begin with a topic called "Who Am I" which explores ourselves and what makes us unique.

We will think about who we are, what they like and who their families are, what we are like and who our families are. In Art, we will look at portraits, drawing ourselves in a variety of mediums.

In Science, we will explore how we can keep healthy and how exercise changes our bodies.

## Reading

We will be starting our Read Write Inc. classes and Daily Supported Reading later in the term.

Book bags should be brought to school every day and the children's books will be changed on Wednesdays and Fridays. Please read, discuss and re-read the books sent home. Please comment and sign in your child's Reading journal Book twice a week.

## Mathematics

In the Autumn term we will be focusing on the numbers 1—10.

Children will learn to form their numbers correctly and to confidently sequence their numbers—counting forward and back. They will explore number bonds up to 10.

We will be introducing children to the +, - and = signs and what they mean. Children will be able to apply their knowledge of number bonds to solve addition and subtraction equations confidently.

## Writing

The Enormous Crocodile by Roald Dahl will be the focus text for Year One during Writing Weeks which will run for the first three weeks of term. Children will learn to retell the story using actions, pictures and puppets to help them. Once children are familiar with the story they will create their own versions of the book.

We will focus on story writing. We will learn about patterns in stories and learn how to write our own stories with a beginning, middle and an end.

### REMEMBER OUR IPC

### PERSONAL LEARNING GOALS

Adaptability

cooperation

RESILIENCE

enquiry

morality

communication

respect

thoughtfulness

### How can you help me at home?

Help me practise my times tables at speed. By the end of the term children should be confident with their 2 times tables.

Help me practise my spellings. Spelling will happen every Monday and Friday.

Read with me every night and comment in my Reading Journal twice a week.
