

Computing

Our Computing unit is called, "I am a historian". We will be creating, storing, retrieving and organising digital content. We will explain what it is to be safe and unsafe in a digital world.

We will write a historical script and create a video using iPads, a green screen and the app, 'DoInk'. We will also create an e-book creating images, text, speech and film clips about our topic.

Physical Education

We will focus on developing our movement by playing team games with the PE coaches on Fridays. We will also be working with our dance teacher to devise contemporary dances.

Please ensure your child comes dressed in their PE kit on Friday's.

Religious Education

In RE this term our topic is "What is important to Muslims?" We will think about the importance of our names. We will learn about the call to prayer and Allah. We will think about what it means to be good and behave well. We will read some stories about the prophet Mohammed.

Please Remember

Maths Homework and Spellings will go home every Friday. Homework must be returned on Wednesday. There will be a spelling 'show me what you know' session each Friday.

The Homework Passport includes knowledge and skills-based creative projects linked to English and our IPC topic 'Time Travellers'. This must be completed by Monday 6.2.2017. Thank You!

Year 1

Time Travellers

IPC Topic

This half term children will start a new IPC Topic called Time Travellers.

In History, we will learn :

About events that are important to us;

To use objects to find out about an event;

About important events that happened in our local area;

About an event by interviewing;

To use different artefacts and sources.

In Science, we'll be learning how to make and investigate paper spinners.

In Art, we will make Stone Age jewellery.

Reading

We will continue with Read Write Inc. classes and Daily Supported Reading as well as our dedicated DEAR sessions twice a week.

Book bags should be brought to school every day. The children's books will be changed on Fridays. Please read, discuss and re-read the books sent home. Please comment and sign in your child's Reading Journal twice a week. Children may also add a comment.

Mathematics

Every day children will practise mental recall of number facts. They will be tested on these in their "fun" weekly Beat That tests at school and practise these for home learning too.

During our maths lessons this half term we will be learning to explore calculations within 20. We will then extend the concepts to numbers within 40.

We will explore measuring time, recognising time on an analogue clock and sequencing in chronological order.

Writing

We will continue to focus on writing non-chronological reports and explanation texts.

We will have handwriting lessons four times a week to practise our cursive handwriting.

Our writing weeks will take place at the start of Spring 2 and will be based around the text, 'Owl Babies' by Martin Waddell.

REMEMBER OUR IPC

PERSONAL LEARNING GOALS

Adaptability

cooperation

RESILIENCE

enquiry

morality

communication

respect

thoughtfulness

How can you help me at home?

Help me practise my times tables at speed. By the end of the term children should be confident with their 2 times tables.

Help me practise my spellings. Spelling lessons will happen every Monday and Friday.

Read with me every night and comment in my Reading Journal twice a week.
