

Don't forget to read your Accelerated Reader Books, practise your Weekly Spelling Words in time for your test and learn your Times Tables.

How does the weather migrates in the winter: Explain why a bird

- Write a set of instructions on how to make a bird feeder:
 - Write a report on an animal in its natural habitat. What does it do? What does it eat? Where does it sleep?
 - Write a diary entry about how you felt at the end of our core text, 'The Magic Finger' by Roald Dahl.
- Knowledge Tasks:

- Create a model of a minibeast. Think carefully about its habitat and what it needs to survive.
 - Create a fact file about your minibeast or another animal and its environment. You might include drawings, photos, descriptions and diagrams.
 - Create a map of your local area, use signs and symbols to show the key features. Remember to include a key so that others can read your map.
- Skills Tasks:

Year 2 Home Learning is due to be completed and returned by Wednesday 19th October 2016. Please remember that you should try to complete at least three pieces of Home Learning from the passport.

Home Learning at Grazebrook

At the beginning of each half term, class teachers set the 'Home Learning Passport' activities for English and IPC. You should choose to complete at least one of the activities from each of the two areas but you can choose to do more. These can be completed in your purple book or, if they are a model or project, they can be completed separately. These pieces can be handed to the teacher any time before the date given inside the booklet. Each Friday, class teachers will give Mathematics home learning in your book. This will reflect on the work you have been completing in class. This should be completed in your purple book and returned for marking by Wednesday of the following week.
