

Don't forget to read your Home School Reader or Accelerated Reader book, complete your Reading Journal and practise your weekly spelling words in time for your test and learn your times tables.

Create a fact file, poster or presentation to share your new knowledge with your class.

- Can you research a famous person from the past who lived in your local area?
- Can you write a recount about an important day in your life? For example, your birthday, first day at school or about your favourite holiday?
- Can you write a set of instructions that tells your teacher how to make a head piece of your choice?

Knowledge Tasks:

- Referencing an artist from the 20th Century, explore their style and medium and create your own artwork in the style of theirs.
- Can you create your own invention to solve a 21st Century problem? Why don't you use a famous inventor as inspiration? e.g. Alexander Graham Bell inventing the telephone to communicate with people over long distances.
- Create a presentation to showcase to your classmates about your invention or your favourite person from the past.

Skills Tasks:

Year 2 Home Learning is due to be completed and returned by Monday 6th February 2017. Please remember that you should try to complete at least three pieces of Home Learning from the passport.

Home Learning at Grazebrook

At the beginning of each half term, class teachers set the 'Home Learning Passport' activities for English and IPC. You should choose to complete at least one of the activities from each of the two areas but you can choose to do more. These can be completed in your purple book or, if they are a model or project, they can be completed separately. These pieces can be handed to the teacher any time before the date given inside the booklet. Each Friday, class teachers will give Mathematics home learning in your book. This will reflect on the work you have been completing in class. This should be completed in your purple book and returned for marking by Wednesday of the following week.
