

Don't forget to read your Home School Reader or Accelerated Reader book, complete your Reading Journal and practise your weekly spelling words and learn your times tables.

Write a set of instructions on how to prepare a healthy balanced meal. What will you need?

- Draw and label the major organs of our body.
- Research and explain what the major organs of our body do. What are their functions? What do they help us with?
- Research: Why do we have eyes at the front of our head and not at the side like some animals do? Which animals have eyes at the side? What else can you find out about them?

Knowledge Tasks:

Year 2 Home Learning is due to be completed and returned by Monday 27th March 2017 Please remember that you should try to complete at least three pieces of Home Learning from the passport.

Skills Tasks:

- Think about how you stay healthy. Can you present your top tips on keeping fit and healthy?
- Can you make a model skeleton which moves? Think about the different joints and how they move.
- Can you design a healthy balanced meal for your teacher?
- Write a poem using your five senses. What do you see, hear, feel, touch and taste?

Home Learning at Grazebrook

At the beginning of each half term, class teachers set the 'Home Learning Passport' activities for English and IPC. You should choose to complete at least one of the activities from each of the two areas but you can choose to do more. These can be completed in your purple book or, if they are a model or project, they can be completed separately. These pieces can be handed to the teacher any time before the date given inside the booklet. Each Friday, class teachers will give Mathematics home learning in your book. This will reflect on the work you have been completing in class. This should be completed in your purple book and returned for marking by Wednesday of the following week.
