MAKER

MAT

Make a timeline of important inventions.

Make a film trailer for 'The Journey'.

Make a glider and measure how far it will travel.

Write a poem to celebrate your favourite invention.

Make a poster about the Industrial Revolution or the Islamic Golden Age of invention.

Make something that will solve one of life's little problems.

Imagine a world without electricity. Draw or write what that would look like?

Interview your parents about developments in technology during their lifetime.
