

## Computing

*In computing we will be looking at how to use apps to create movies. Children will learn how to record sound and motion, and how to edit these together to achieve an overall effect. They will consolidate their knowledge of camera shots and angles.*

## Physical Education

*This term, the P.E lessons on Wednesdays with the coaches, will be focusing on athletics. As well as running various distances, children will use equipment to develop their throwing and jumping skills.*

*Swimming will continue this half-term, with 4B's lesson on Monday at 2.30pm and 4G's lesson at 2pm. Please ensure your child brings an appropriate kit (including a swimming cap) to take part.*

## Religious Education

*We will be learning about Sikhism. Pupils will learn about the founding of the religion by Guru Nanak in the fifteenth century, the holy scripture called the Guru Granth Sahib, and the gurdwara as a place of worship. They will also learn about the symbols and practices associated with Sikhism.*

## Please Remember

*Maths home learning will go home on Fridays of every week. Home learning must be returned to school on Wednesday in time for marking.*

*The children will also receive a 'Home Learning Passport' at the start of each half term with different activities to complete for both English and IPC.*

# Grazebrook Primary School

## Curriculum Information Summer 1

# Year 4

## Turn It Up / Shake It

## IPC Topic

*This half term we will study two short topics: Turn it Up and Shake It.*

*In Turn It Up, we will look at natural and manmade sources of sound and light. We will explore how sound and light can travel and change. We will examine the structure of the human eye and ear, and we will also attend a concert as part of our ongoing work with the Apollo Music Project.*

*In Shake It, we will look at the different properties and structures of solids, liquids, and gases.*

## Reading

*Classes will continue to read books independently for Accelerated Reader, with tests being taken in class when they have completed a book. There is also allocated DEAR (Drop Everything and Read) time in timetables, where pupils will be encouraged to read for pleasure.*

*Children are expected to bring their reading book to school every day. Journals will be marked every Tuesday.*

## Mathematics

*This term will begin with learning how to measure the areas and perimeters of rectilinear shapes. The children will learn how to calculate unknown facts from known ones.*

*We will look at various aspects of money, such as simple calculations, as well as more complex real-life situations, such as booking a holiday and managing a budget.*

## Writing

*This term we will be focusing on discursive and persuasive texts, as we look at the impact of plastic waste on the global environment. We will be filming short documentaries and newsreels to report about how we can help to protect our planet.*

*Our films will be entered into the Lit Film Festival competition. Details are available at [litfilmfest.com](http://litfilmfest.com).*

thoughtfulness

### How can you help me at home?

**Help me practise my times tables at speed. By the end of the term children should be confident with all their times tables up to 12x.**

**Help me practise my spellings. Spelling tests will happen every Thursday from the weekly set that is given at the start of the term.**
