Tuesday 14<sup>th</sup> November 2017

Dear Grazebrook Families,

### **All Different, All Equal**

Over the next two weeks we will be celebrating friendship, kindness and uniqueness to show our commitment and support of Anti-Bullying Week. This is an annual event which aims to raise awareness of bullying of children and young people, in schools across the country, and to highlight ways of preventing and responding to it.

Many thanks to our super Parent Staff Association, **Friends of Grazebrook**, for their generous donation which funded our whole school "Power of One" Theatre performances exploring the impact one child can have by refusing to remain silent.

The children will also be exploring friendship, equality, respect, kindness, e safety and bullying during class sessions and through a variety of media which we will be sharing with each other in our showcase assembly.

We will be looking for poster designs to enter into the annual Actionwork competition, so children, get those ideas flowing! All posters will be proudly displayed around school to demonstrate visually that Grazebrook is a bully-free zone! Our Friendship Friday brings a fabulous feel good lunch. Promotion of friendship and kindness will continue across the dining table as staff share lunch with their children.

**We are also looking forward to taking part in the fabulous ODD SOCK Day this Friday 17<sup>th</sup> November-an exciting way to empower children and to celebrate what makes them, and others, unique.** The brighter the better!

Please do check out our website as we will be uploading photos, reports and relevant website links.

Warm wishes,

**Jess Hutchison**  
Headteacher
