Stretch Academy Program

Dear Parent/Carer,

We would like to invite your child to join a preparation program for Year 5 students who are likely to sit entrance tests for selective schools next academic year. The 'Stretch Academy' is designed to give children within our schools the opportunity to understand and practice the types of questions which are usually set in the tests, as well as developing their English and maths skillset.

Your child's progress and attainment levels show them to be capable of doing well in these tests. However, they are under no pressure whatsoever to undertake these exams; **they are welcome to attend the program simply to enhance and develop their learning.** Your child is thus invited to attend a weekly after school tutoring session at **Woodberry Down Community Primary School**, on **Mondays from 3:45pm to 5:00pm** run by **Katie Beecroft, Deputy Headteacher at Woodberry Down.** The program is completely free. We will transport your children from Grazebrook Primary School every Monday but they must be collected from Woodberry Down Community School.

As always, collaboration between home and school learning is vital in this process, and your child will have a homework task to be completed outside of school hours in preparation for each session.

Please complete the attached form and return it to your school's office by the **Thursday 2nd November.** There will be 6 sessions this term. The first session will be on **Monday 6th November and the last on Monday 11th December.** The sessions will then begin again on **Monday 8th January 2018.** If you would like any further information, or would like to discuss the matter, I would be delighted to answer any questions you might have or put you in contact with Katie Beecroft.

Kind regards,

Sam Sharpe

Deputy Headteacher

NAME OF CHILD: _____ CLASS: _____

I give permission for my child to participate in the Stretch Academy

I understand my child will be **collected** at 5.00pm from Woodberry Down School

I **do not** give permission for my child to participate in the Stretch Academy.

Signed: _____

Date: _____
