27<sup>th</sup> September 2017

Dear Parents and Carers,

### **Maths Mastery**

As you may know the school has successfully been using Mathematics Mastery scheme which has been meeting the needs of our children at Grazebrook and the demands of the National Curriculum. There are particular strategies which our teachers use to teach, engage and encourage children that we would like to share with you to provide support and consistency.

We are pleased to be a part of a new online support programme for parents and carers that focuses on explaining mathematical concepts and teaching strategies. The aim of 'Maths with Parents' is to help parents to help their children with their homework.

We would like to invite you to a launch meeting on the Tuesday 3<sup>rd</sup> October 2017 to explain the process further at 3.45pm in class 2B (Mr Barber's class).

Codes needed for online access:

2B – 799861

2G – 898956

I hope you can attend and look forward to meeting with you. If you cannot attend for any reason, please be aware that we will hold further meetings later in the term.

Yours sincerely

Mr Talbot-Sikkens  
Assistant Headteacher Key Stage 2  
Maths Leader
