

Understanding the World

I will be learning about weather and how to recognise simple weather symbols.

I will be celebrating different festivals and special events.

I will be using different apps to create an e-book about weather.

I will explore habitats influenced by weather around the world.

Physical Development

I will begin to learn healthy practices, like having a good diet, exercising and resting.

I will learn to dress appropriately for the weather

I will continue to practise my pen grip.

How can you help me at home?

Help me strengthen my fine motor skills by modelling, cutting, throwing and catching a ball.

Autumn 2
2016

PSED

I will be sharing personal memories and experiences related to the weather and the weather on holiday.

I will keep learning how to choose activities that interest me and develop my learning independently.

I will listen to others and take their opinions into account when I am playing with them.

Please Remember

Please make sure your child has spare clothes on their peg and that they wear comfortable and weather appropriate clothing (outside is always open).

Please remember to bring in your book bag regularly.

Do not hesitate to come and chat with a member of staff if you have any ideas, concerns or queries.

IPC Topic

The name of our topic this term is: "Weather Wonders".

Together, we will be sharing lots of story books about weather.

We will be extending our learning about weather by exploring environments around the world as well as celebrations and festivals linked to each season.

We will be creating a special e-book together to share all our learning.

Literacy

I will be joining in to tell stories and perform poems as well as recalling rhymes and events. I will also be practising rhyming and alliteration

I will talk about my pictures, giving meaning to mark making.

How can you help me at home?

Continue to read with me daily, helping me understand how stories are structured.

Help me practise mark making my name.

Mathematics

I will be learning to recognise and name shapes in the environment and I will use simple shapes to create scenes related to the topic.

I will be matching numbers to quantity as well as learning new mathematical language related to quantity.

I will begin to make comparisons between sets of objects.

How can you help me at home?

Help me to spot shapes around the house and describe them.

Practise the number of the week with me by helping me find as many objects.

Expressive Arts and Design

I will be exploring and describing different textures and creating props to support my learning about weather.

I will act out scenes and become characters related to the topic, for example I might be a television weather forecaster.

I will use movement to express my feelings.

I will take part in our Nativity.
