

## Understanding the World

*I will learn about people who help us in our community and talk about my own role models.*

*I will use digital resources including iPad apps to design and create superhero characters and stories.*

*I will talk about how my friends and I are different and similar to each other and how our families celebrate various festivals and events.*

## Physical Development

*I will develop a further understanding of healthy practices by cooking healthy foods and keeping safe in the sun.*

*I will secure my fine motor skills by using tools and writing utensils safely in my independent learning.*

*I will continue to practise moving with skill in a variety of ways, such as crawling, balancing, tip-toeing etc. when impersonating my favourite superhero.*

# Grazebrook Primary School

Curriculum  
Information  
Summer 2  
2017

## PSED

*I will talk about the things that I am good at with confidence and share my ideas with others freely when engaging in collaborative play.*

*I will choose a range of learning activities and select tools and resources to support my play independently.*

*I will use my language skills to share my ideas, negotiate and solve problems.*

## Please Remember

*Please make sure your child has spare clothes, that they wear appropriate clothing and have sun cream applied before Nursery.*

*Please remember to bring in your book bag regularly. We change books on a Monday but the children are encouraged to choose books throughout the week.*

*If you would like to share something about your job or your family's celebrations with us please let us know so that we can arrange a date for your visit.*

# Nursery

## IPC Topic

The name of our topic this term is: "To the Rescue!".

We will let our imagination run free in superhero related games and collaborative acting out, re-enforcing safe and purposeful play .

We will find out more about role models in our communities and everyday life and talk about being a mini-hero ourselves!

### REMEMBER OUR IPC

### PERSONAL LEARNING GOALS

Adaptability

cooperation

**RESILIENCE**

enquiry

morality

communication

respect

thoughtfulness

## Literacy

I will continue to practise oral blending and segmenting in phonics sessions and throughout the school day.

I will use technology to look up information and research the topic I'm learning about.

I will re-tell and re-enact my favourite stories.

**How can you help me at home?**

Let's play 'I Spy something beginning with the sound... '!

## Communication and Language

I will listen to others and respond appropriately, speaking in elaborate sentences .

I will use my knowledge of stories and key elements when developing my own narrative in my imaginative play with others. My vocabulary will reflect my previous learning experiences.

**How can you help me at home?**

Listen to my ideas and share your life stories with me.

## Mathematics

I will begin to use language related to adding and taking away.

I will learn mathematical language related to time as part of my routines and family celebrations.

I will practise comparing quantities using language such as 'more/less/few' and find the number 1 more than numbers to 10.

**How can you help me at home?**

Help me practise super counting when finding more or less objects than a number that you show me!

## Expressive Arts and Design

I will create my own props and designs to support my play.

I will continue to construct with a purpose as part of my imaginative play.

I will continue to add details to my drawings and use real life colours when appropriate.
