

Understanding the World

I will be exploring dinosaurs' habitats and compare them with ours.

I will be investigating fossils and bones to gain an understanding of what dinosaurs looked like.

I will take part in experiments related to the topic.

I will learn to use a mouse to complete a simple computer programme.

Physical Development

I will learn about the importance of food in my diet and compare it with the dinosaurs' diets. I will also practise moving and dancing like a dinosaur!

I will look after my belongings and keep them tidy on my peg or in my tray.

I will continue to practise my pen grip.

Help me to strengthen my fine motor skills at home by modelling, cutting and playing ball games.

Grazebrook Primary School

Curriculum
Information
Spring 1
2017

PSED

I will build new relationships and become more confident and independent.

I will fully engage in activities, completing tasks independently.

I will express my feelings in an appropriate manner, taking into account the others' feelings.

I will try new activities and games related to the topic.

Please Remember

Please make sure your child has spare clothes on their peg and that they wear comfortable and weather appropriate clothing (outside is always open).

Please remember to bring in your book bag regularly.

If you have a talent or a skill you would like to teach the children about, please come in and lead an activity in Nursery!

Nursery

Dinosaur Detectives

IPC Topic

The name of our topic this term is:
"Dinosaur Detectives".

We will be sharing our knowledge about and interest in dinosaurs to build a 'dinosaur bank of ideas' together.

We will be learning about how dinosaurs lived and died by looking at fossils, their environment and reading stories about them. And most importantly, by using our imagination!

REMEMBER OUR IPC PERSONAL LEARNING GOALS

Adaptability

cooperation

RESILIENCE

enquiry

morality

communication

respect

thoughtfulness

Literacy

I will predict story endings and begin to describe characters and events.

I will continue to practice rhyming and alliteration and identify some initial sounds.

I will begin to listen to and use 'robot talk' to develop my phonic awareness.

How can you help me at home?

Continue to read with me daily, encouraging me to retell the story and make up my own.

Help me practise writing my name correctly.

Communication and Language

I will learn new vocabulary about dinosaurs, their habitat and their extinction.

I will practise discussing ideas with my partner and sharing with the rest of the group.

I will talk about my needs and feelings at Nursery.

How can you help me at home?

Engage in conversation on a given topic and ask me open ended questions about my day.

Mathematics

I will learn to find as many objects as a number shows me.

I will learn to recognise and represent numbers using a number line.

I will use shapes to make arrangements, naming more complex ones.

I will learn to order 2-3 objects by size, length, height.

I will begin to gain an understanding of time in relation to my routine.

How can you help me at home?

Help me spot numbers all around me and talk about Maths in everyday life.

Expressive Arts and Design

I will be using my imagination to become dinosaur characters, creating props to support my learning.

I will try new techniques and media to express my creativity.

I will access creative resources independently to apply my knowledge.
