

Understanding the World

I will be exploring the characteristics of different minibeasts and their habitats.

I will explore the different jobs people have caring for living things.

I will use digital resources including iPads, cameras and voice-recording magnifying glasses to explore and record my ideas and findings about the natural world.

Physical Development

I will continue to practise my pen grip and forming the letters of my name.

I will develop my fine-motor skills through using a range of tools safely and responsibly. This will include mark-making tools, tweezers and digging resources when exploring minibeasts and their habitats.

I will experiment with different ways of moving when exploring and imitating how a range of minibeasts move.

Grazebrook Primary School

Curriculum
Information
Spring 2
2017

PSED

I will develop my relationships with my peers, demonstrating friendly behaviour and taking turns.

I will select and engage in activities, trying out new things.

I will show care and respect for others, living things and the environment.

I will use my communication skills to share my feelings and resolve conflict.

Please Remember

Please make sure your child has spare clothes on their peg and that they wear comfortable and weather appropriate clothing (outside is always open).

Please remember to bring in your book bag regularly. We change books on a Monday but the children are encouraged to choose books throughout the week.

We would like to welcome any green-fingered parents and carers to come in and support the children with gardening.

Nursery

The Brilliant Bug Ball

IPC Topic

The name of our topic this term is: "The Brilliant Bug Ball".

We will be sharing our knowledge about minibeasts to make and develop an 'ideas map'.

We will be learning about different types of insects and their habitats, as well as exploring changes, pattern and how to look after living things.

We will be having a 'Brilliant Bug Ball' to celebrate our learning at the end of the topic!

REMEMBER OUR IPC PERSONAL LEARNING GOALS

Adaptability

cooperation

RESILIENCE

enquiry

morality

communication

respect

thoughtfulness

Literacy

I will practise saying and writing the sound of the week.

I will describe characters, events and settings in stories.

I will engage with a range of non-fiction books to discover minibeast facts.

How can you help me at home?

Continue to read with me daily, encouraging me to retell the story and make up my own.

Help me practise writing my name correctly.

Communication and Language

I will listen to others in small groups and join in with conversations, sharing my ideas with the group.

I will use 'Show and Tell' sessions to ask questions about what I see.

I will build my vocabulary and use new language related to minibeasts.

How can you help me at home?

Ask me about my day at nursery so I can share my experiences with you.

Mathematics

I will learn to match numbers to quantity.

I will be using language related to size and ordering objects by length when exploring different insects and making models.

I will be representing numbers through pictures and using my fingers.

I will explore capacity and use related language when playing with water.

I will learn about size when comparing minibeasts and finding different sized resources to make a bug hotel.

Expressive Arts and Design

I will capture my experiences with a range of media, including music, dance and paint, as well as using digital resources including iPads and voice-recording clipboards.

I will explore colour and how colour can be changed when exploring different media.
