

Don't forget to read your Accelerated Reader Books, practise your Weekly Spelling Words in time for your test and learn your Times Tables.

- Can you write an explanation of how a seed grows? You could draw a diagram to help you plan your writing. It could be a bean seed, a dandelion seed or a different seed that you have in your garden.
- Can you make your own small book or write your own traditional story based on the story of Jack and the Beanstalk? It could be Mabel and the Beanstalk or Kyren and the Beanstalk or just a re-telling of Jack and the Beanstalk.

English

- As part of our flowers and insects topic can you make a model of an insect that you are most interested in? Use plasticine or junk modelling.
- Can you use the internet or a book to find out about a flower or insect from our host country Greenland? Can you draw and write facts and information about your flower or insect?

IPC

Year 1 Home Learning is due to be completed and returned by Thursday 19th April 2016. Please remember that you should try to complete at least three pieces of Home Learning from the passport.

### Home Learning at Grazebrook

At the beginning of each half term, class teachers set the 'Home Learning Passport' activities for English and IPC. You should choose to complete at least one of the activities from each of the two areas but you can choose to do more. These can be completed in your purple book or, if they are a model or project, they can be completed separately. These pieces can be handed to the teacher any time before the date given inside the booklet. Each Friday, class teachers will give Mathematics home learning in your book. This will reflect on the work you have been completing in class. This should be completed in your purple book and returned for marking by Wednesday of the following week.
