

Don't forget to read your Accelerated Reader Books, practise your Weekly Spelling Words in time for your test and learn your Times Tables.

different?
How are they the same or
written any other books?
'One Smart Fish'. Has he
of our writing week book.

Research Christopher Wormwell (the author

and why?

List all the electrical appliances in your
home. What materials are they made from

people to buy your product?

Can you create an advert for the robot you
have designed? How will you persuade

write about your findings.

Research where electricity comes from and

English

Year 2 Home Learning is due to be completed and
returned in your Purple Book by Monday 23rd May 2016.
Please remember that you should try to complete at
least three pieces of Home Learning from the passport.

IPC

Think about how to stay safe around
electrical appliances in your home. Can
you present your top tips on keeping
safe?

What amazing electronic inventions
do they have? How do they use
electricity for transport?

Research our host country Japan:

How will it work? What materials will
you use?

Can you design and make a robot.
What will it be called? What will it do?
How will it work? What materials will
you use?

Home Learning at Grazebrook

At the beginning of each half term, class teachers set the 'Home Learning Passport' activities for English and IPC. You should choose to complete at least one of the activities from each of the two areas but you can choose to do more. These can be completed in your purple book or, if they are a model or project, they can be completed separately. These pieces can be handed to the teacher any time before the date given inside the booklet. Each Friday, class teachers will give Mathematics home learning in your book. This will reflect on the work you have been completing in class. This should be completed in your purple book and returned for marking by Wednesday of the following week.
