

Don't forget to read your Accelerated Reader Books, practise your Weekly Spelling Words in time for your test on Thursday and practise your Times Tables ready for Friday test (3x and 4x if not perfected, 6x and 8x for most).

- Make a model illustrating an aspect of Ancient Egypt, perhaps a pyramid, temple, the Sphinx, a mummy or Tutankhamen's tomb.
- Use hieroglyphs to write a secret message for a friend. You will need to translate it for us too!
- Create a new Egyptian God. You will need to think of what powers the God will have and how they will look. What might they wear or hold to indicate their powers?

IPC

Year 3 Home Learning is due to be completed and returned in your Purple Book by Monday 23rd May 2016. Please remember that you should try to complete at least two pieces of Home Learning from the passport.

English

- Retell one of your favourite traditional tales, you need to change the characters, and perhaps the setting, but the moral of the tale should be the same.
- Find a traditional tale that you enjoy, and create a comic strip of the story.
- Write and illustrate a non-chronological report about the Egyptian after-life: the traditions, processes and beliefs.

Home Learning at Grazebrook

At the beginning of each half term, class teachers set the 'Home Learning Passport' activities for English and IPC. You should choose to complete at least one of the activities from each of the two areas but you can choose to do more. These can be completed in your purple book or, if they are a model or project, they can be completed separately. These pieces can be handed to the teacher any time before the date given inside the booklet. Each Friday, class teachers will give Mathematics home learning in your book. This will reflect on the work you have been completing in class. This should be completed in your purple book and returned for marking by Monday of the following week.
