

Don't forget to read your Accelerated Reader Books, practice your Weekly Spelling Words in time for your test and learn your Times Tables.

- Write a review of your favourite song or type of music and why you like it.
- Write a non-chronological report on a type of music from a chosen country or culture. What instruments are used? What influences the style of music?
- Write an explanation text on how an acoustic guitar works.

English

Year 5 Home Learning is due to be completed and returned in your Purple Book by Monday 23rd May 2016. Please remember that you should try to complete at least three pieces of Home Learning from the passport.

IPC

- Look for sources of light in your home or local environment. Can you sort them into categories? How are they linked? How are they different?
- Create a model of a musical instrument. How does it make sound? How can the sound be altered?
- Create a poster to show how, when and why we should protect our eyes and sight.

### Home Learning at Grazebrook

At the beginning of each half term, class teachers set the 'Home Learning Passport' activities for English and IPC. You should choose to complete at least one of the activities from each of the two areas but you can choose to do more. These can be completed in your purple book or, if they are a model or project, they can be completed separately. These pieces can be handed to the teacher any time before the date given inside the booklet. Each Friday, class teachers will give Mathematics home learning in your book. This will reflect on the work you have been completing in class. This should be completed in your purple book and returned for marking by Wednesday of the following week.
