

Don't forget to read your Accelerated Reader Books, practise your Weekly Spelling Words in time for your test and learn your Times Tables.

Imagine all the non-renewable energy sources have been used up, write a breaking news report on what will happen next.

- Write a report about Global Warming and its effects on the world.
- Fact-file: Research which countries have the best approaches to renewable energy. Create a map locating these countries and include information about their energy use.
- Write a balanced argument, discussion, whether all the houses in Hackney should be required to install solar panels.

English

Year 5 Home Learning is due to be completed and returned in your Purple Book by Monday 23rd May 2016. Please remember that you should try to complete at least three pieces of Home Learning from the passport.

IPC

- Create a poster to advertise the importance of renewable energy. You may want to create a power point presentation.
- Using materials of your choice, create your own wind turbine. Does it work? Make your own wind-sock.
- Hydro-power: can you create your own water wheel?
- Can you create energy from a lemon? Use this video to help you. <https://www.youtube.com/watch?v=AY9g-DC7eVig&feature=relmfu> Write a report about what you did.

Home Learning at Grazebrook

At the beginning of each half term, class teachers set the 'Home Learning Passport' activities for English and IPC. You should choose to complete at least one of the activities from each of the two areas but you can choose to do more. These can be completed in your purple book or, if they are a model or project, they can be completed separately. These pieces can be handed to the teacher any time before the date given inside the booklet. Each Friday, class teachers will give Mathematics home learning in your book. This will reflect on the work you have been completing in class. This should be completed in your purple book and returned for marking by Wednesday of the following week.
