### Relationships

Year 6 Home Learning is due to be completed and returned in your Purple Book by Monday 23<sup>rd</sup> May 2016. Please remember that you should try to complete at least three pieces of Home Learning from the passport.

### Home Learning at Grazebrook

At the beginning of each half term, class teachers set the 'Home Learning Passport' activities for English and Topic work. You should choose to complete at least one of the activities from each of the two areas but you can choose to do more. These can be completed in your purple book or, if they are a model or project, they can be completed separately. These pieces can be handed to the teacher any time before the date given inside the booklet. Each Friday, class teachers will give Mathematics home learning in your book. This will reflect on the work you have been completing in class. This should be completed in your purple book and returned for marking by Tuesday of the following week.
