

## Understanding the World

*I will be making observations, talk about some of the things we observe such as plants, animals and natural objects and question aspects of the natural world.*

*I will show care and concern for living things and their environment .*

*I will also have the opportunity to experiment with presenting my learning through a range of digital media.*

## PSED

*I will continue to develop my confidence when trying new activities and say why I like some activities more than others.*

*I will continue to show sensitivity to others' needs and feelings and form positive relationships with both adults and my peers.*

*I will talk about the things I am really good at, enjoy and things I find challenging.*

Information  
Spring 2  
2017

## Expressive Arts and Design

*I will be using my imagination through art and design, role-play and stories.*

*I will continue to talk about features of my own art and design work and make comparisons between different artists' work and my own.*

*I will create suitable habitats for different minibeasts by selecting tools and techniques needed to shape, assemble and join*

## Please Remember

*Please remember to bring in your book bag. We change books every Friday.*

*Some RWI groups will also be sending their book of the week home for the children to read to you at home.*

*From this week onwards, P.E is on a Wednesday for both Purple and Orange class.*

# Reception

## The Brilliant Bug Ball

## Literacy

*During RWI I will use my phonic knowledge to decode regular words and read them aloud accurately. I will continue to learn to read and write some common irregular words - 'red words'.*

*I will continue with Daily Supported Reading to build my accuracy and fluency.*

*I will continue to practise forming letters correctly using the RWI handwriting phrases to help me.*

### **How can you help me at home?**

*Read with me and ask me questions about the book. Encourage me to sound out new or tricky words. Help me develop fluency by reading books several times.*

## Communication and Language

*I will be using my experience of the world to answer 'how' and 'why' questions in response to stories and events.*

*I will demonstrate that I can listen attentively in a range of situations, whilst engaged in my learning activities.*

*I will use a range of writing tools and technology to express myself in words.*

### **How can you help me at home?**

*Help me research and talk about the minibeasts we are learning about at school.*

## Mathematics

*This term in mathematics, I will further my knowledge and understanding of numbers to 20. I will continue to develop my knowledge and understanding of shape and pattern by exploring and identifying both 2D and 3D shapes.*

*I will learn about addition and subtraction, exploring numbers within 20 and then number bonds to 5 and 10.*

*I will continue to practice my number formation.*

### **How can you help me at home?**

*Play games involving counting and number recognition. Encourage me to practise my number formation with a range of media.*

## IPC

*The name of our topic this term is: "The Brilliant Bug Ball".*

*Our entry point will be a visit from the bug man and then "we are going on a bug hunt". Watch out for those bugs!!*

*I will be learning about different types of minibeasts and how to care for them.*

*I will also be using investigation skills to learn more about nature and habitats.*
