

## Understanding the World

*I will be making observations of plants and animals and discussing why some things occur.*

*I will discuss the differences between past and present, considering why people's lives were different in the past.*

*I will also have the opportunity to experiment with presenting my learning through a range of digital media.*

## PSED

*I will enhance my confidence further with opportunities to present my learning to the class*

*I will continue to manage my feelings and think before acting in a situation.*

*I will play co-operatively with my peers and be understanding of how someone else's point of view can be different from my own.*

Information  
Summer 1  
2017

## Expressive Arts and Design

*I will be expressing myself through different creative activities.*

*I will draw on the stories I am learning about in role play situations, playing different characters in different settings.*

*I will be creating different artistic expressions based on the stories we are reading using self-selected media.*

## Please Remember

*Please remember to bring in your book bag. We change books every Friday.*

*Some RWI groups will also be sending their book of the week home for the children to read to you at home.*

*P.E is on a Wednesday for both Purple and Orange class.*

# Reception

## Once Upon A Time

## Literacy

During RWI, I will use my phonic knowledge to decode regular words and read them aloud accurately. I will continue to learn to read and write some common irregular words - 'red words'.

I will continue with Daily Supported Reading to build my accuracy and fluency.

I will continue to practise forming letters correctly using the RWI handwriting phrases to help me.

### How can you help me at home?

Read with me and ask me questions about the book. Encourage me to sound out new or tricky words. Help me develop fluency by reading books several times.

## Communication and Language

I will be demonstrating that I can listen actively in a range of situations, including following instructions accurately and asking for clarification if necessary.

I will continue to listen to stories and after, express views about events or characters in the story, answering questions about why things might happen.

### How can you help me at home?

Discuss my book of the week with me. Encourage me to retell the story to you.

## Mathematics

This term in Mathematics, I will be exploring numbers beyond 20 and their relationships. Building on from this, we will look at grouping and sharing before moving onto doubling and halving.

Beyond this, I will be learning about systems of measurement and also how to recognise different coins, making different amounts with different combinations.

### How can you help me at home?

Play games involving counting and number recognition. Encourage me to practise my number formation with a range of media.

Encourage me to handle change and help me to recognise different coins and notes.

## IPC

The name of our topic this term is: "Once Upon a Time".

Our entry point will be the planting of our very own beanstalks.

I will be learning about different traditional tales and exploring different narratives.

I will also be exploring historical settings and how they differ from our own lives in the present.
