

Understanding the World

I will be discussing the people and services in our local communities who help us in various situations.

I will discuss how I can contribute to maintaining my local community and how we can all be heroes.

I will also continue to experiment with presenting my learning through a range of digital media.

PSED

I will play co-operatively in group games with rules, attempting to resolve disagreements through listening to one another.

I will listen to other children's suggestions and plan to achieve an outcome without adult help. My self-confidence will be enhanced by opportunities for speaking to the class.

Curriculum
Information
Summer 2
2017

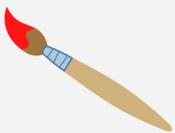

Expressive Arts and Design

I will be selecting and using materials and working on processes that interest me.

I will be learning about Pop Art and attempting to create my own Pop Art design.

I will be finding out and making decisions about how media and materials can be combined and changed.

Please Remember

Please remember to bring in your book bag. We change books every Wednesday.

Some RWI groups will also be sending their book of the week home for the children to read to you at home.

P.E is on a Wednesday for both Purple and Orange class.

Reception

To the Rescue

Literacy

During RWI, I will use my phonic knowledge to decode regular words and read them aloud accurately. I will continue to learn to read and write some common irregular words - 'red words'.

I will continue with Daily Supported Reading to build my accuracy and fluency.

I will continue to practise forming letters correctly using the RWI handwriting phrases to help me.

How can you help me at home?

Practise my green and red word passport with me **every week**. Help me develop fluency by reading books several times.

Communication and Language

I will be demonstrating that I can listen attentively with sustained concentration to follow a story and that I can listen in a larger group.

I will continue to use a range of vocabulary in imaginative ways to add information, express ideas or explain and justify actions or events.

How can you help me at home?

Discuss my book of the week with me.
Encourage me to retell the story to you.

Mathematics

This term, in Mathematics, I will be exploring addition and subtraction with greater numbers and looking at the commutative law.

Beyond this, I will be learning about place value and exploring numbers beyond 20 in greater depth.

How can you help me at home?

Encourage me to add and subtract with groups on objects around the home.

Discuss the clock with me and help me to recognise passages of time.

Help me practise my number formation with a range of media.

IPC

The name of our topic this term is: "To the Rescue".

Our entry point will be designing an action figure based on the 'Traction Man' story character.

I will be learning about people in our community who help us.

I will also be exploring how I can help and contribute to my school and home
