* Adventure playground with an inclusive play project. Children with a disability not already registered with the playground need to register at least 2 weeks before the holiday to ensure they have some days allocated to them. Once a child is registered they will be offered support during all other holidays. We do not offer a child with a disability the full week as we have a limited number of support workers and we have over 60 children with a disability registered with us already. We try to ensure a majority of the children get at least 1 day. Most children with a disability attend other centres during holiday periods too. All children need to be registered and those without a disability can be registered on the day they first attend.

Huddleston Centre for Disabled Children and Young People

The Huddleston Centre is for disabled young people, aged 9 – 25 and living in Hackney. The centre runs a range of different projects (including short breaks) from Monday to Saturday (where activities are chosen by the young people who attend). Clubs run term-time only. However, when funding is available, activities are provided during school holidays. Please contact direct on 020 8985 9089 or email cassandra@huddlestoncentre.org.uk for more information.
