4. Are you a new arrival to the UK if so, from which country?

Please state your Religion:

Please state your Ethnicity:

**Are you an Asylum Seeker/Refugee? Yes / No
If yes, you will need to provide NSAA number**

GUIDANCE NOTES FOR PARENTS WHO ARE APPLYING FOR A NURSERY PLACE IN A PRIMARY SCHOOL FOR 2017/18

If you want a nursery place for your child, you need to complete this form and send to your preferred school. Remember that putting your child's name on the application list does not give you priority over other children who might apply later.

Children aged 3 and 4 can go to nursery classes attached to primary schools or to a nursery school. The age your child can go depends on the number of places available

Full-Time and Part-time Places

From September 2017, some working parents will be eligible for a full-time place (30 hours per week). Parents who wish to be considered for a full-time place will need to check their eligibility no earlier than 3 months before their child's 3rd birthday. This can be done online at www.gov.uk/childcare-calculator
Eligible parents will receive a code which must be given to the school before the closing date for applications shown on page 3 of the nursery admission guide for parents available at www.learningtrust.co.uk/admissions/Pages/SchoolNursery.aspx **All other children will be considered for a part-time place (15 hours per week).**

In each nursery class, schools will offer 20 full-time and 12 part-time places. If all the full-time places are not taken up, additional part-time places will be offered. If there are still vacancies remaining, parents with part-time places can ask to top up the part-time entitlement to a full-time place.

Admissions criteria to nursery schools and nursery classes in community primary schools (Admissions criteria for Academies, Faith and Free Schools will be different).

1. A looked after child or a child who was previously looked after but immediately after being looked after became subject to an adoption, residence, or special guardianship order.
2. Children subject to a Child Protection Plan
3. Children with an educational, medical or social need for a nursery place.¹
4. Children whose parents can take up or stay in a teaching post in one of Hackney's schools.²
5. Children with brothers and sisters already at the school at the time of the proposed admission (includes half and step brothers and sisters living as a family unit full-time at the same address).
6. Children living nearest to the school as measured in a straight line from their home address or their childminder's address using a map or website for calculating distances.³

If a tie-breaker decision is needed for priorities 1, 2, 3, 4 and 5, distance as measured in priority 6 above will be used.

Explanation for Criteria

¹This applies to the nearest school unless your child's need justifies a place at a particular school.

Headteachers can take into account educational or medical needs such as developmental, speech and language delay or physical needs. The school will need to see evidence of this from a doctor, hospital consultant, health visitor or education and child professional.

²If you are a Hackney school teacher, you can apply for a nursery place for your child under this criterion – but there can only be one place in each class, or two places in the case of twins. You must apply to the school where you teach, or one that is within one mile of your place of work.

³If your child is cared for by a childminder during the week (Monday to Friday), the school will ask to see proof of this arrangement. The school will decide which method to use to calculate the distances for all applicants considered under priority five above.

Completing the application form - Parent's details

The names of all responsible adults/carers are recorded on the form for the school to approach. Please note that when parents live separately, the application must be based on one address where the child normally lives.

Hackney Learning Trust – Application for Admission to a Hackney Nursery School or/and Primary School Nursery Class

Documents to be accompanied with the completed application form

- Enclosed an original utility bill received within the last two months as proof of address
- Enclosed proof of Date of Birth
- Enclosed supporting evidence, if applicable (e.g. a letter from the family doctor/hospital consultant in support of any medical or social priority request)

The school can withdraw an offer of a place if it has been proven that false or misleading information has been provided.

What happens if my child is not offered a place?

If your child is refused a place at a nursery, you can ask for your child to go on an application list so that a place can be offered if a vacancy becomes available. There is no right of appeal for admission to nursery classes and nursery schools.

Applying for Free Schools Meals and Early Years Pupil Premium (EYPP)

When parents have secured a nursery place, the school can apply for additional funding to provide children with extra resources. If you are on low income and qualify for Free School Meals the school will be able to claim the EYPP. In order for the school to get information as to your eligibility for FSMs, you will need to register and apply online at Hackney Citizens Portal https://ems.learningtrust.co.uk/CitizenPortal_LIVE/Account/Register

Free early years education for some two year olds

If you have a younger child aged 2 years old, you may be eligible for free 15 hours childcare or nursery place at a participating setting or child-minder. Your earnings must be less than £16,190 or you are on benefits. To find out more please go to our website;

<https://www.learningtrust.co.uk/ChildcarePlay/Pages/FreeChildcarefor2-4yearolds.aspx>

DATA PROTECTION

The London Borough of Hackney is the data controller for the purposes of the data protection Act 1998.

This mean that the London Borough of Hackney is responsible for making decisions about how your personal data will be processed and used. Your data will be used for the purpose of nursery and school admissions, school admission appeals, sending you questionnaires, and assessing pupils' eligibility for various pupil benefits and services. Your data may also be used for the purpose of safeguarding children and the detection of fraud. The infomration you provide will be treated confidentially at all times.
