

HOME LEARNING

MAKER MAT

**Please return your completed activities by Monday
19th March**

Design and make a life cycle of an animal. You will need to do some research.

Make a model of a natural habitat.

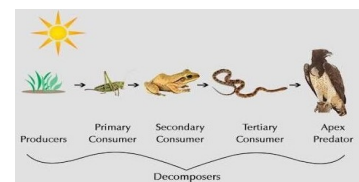

Research about an endangered species and present this to the class.

Write a story about your favourite animal.

Year 3

Create a poster about a food chain.

GROW seeds and explain how you care for them.

Make a poster/film about Fair-trade cocoa production in Ghana.

Write a poem about trees and add some drawings to your poem.
