Evidencing the Impact of Primary PE and Sports Premium

<b>School</b>	Grazebrook Primary School	<b>Headteacher</b>	Ms Jess Hutchison	<b>Date</b>	March 2018
<p>New Wave Federation Schools believe that physical education is an essential part of a child's educational development. We aim to develop a balanced program offering a variety of activities to enhance skills in physical education. Positive participation in physical education will enable children to build, self-esteem, teamwork and positive attitudes in P.E.</p> <p>We aim to:</p> <ul style="list-style-type: none"> <li>- Develop confidence, skills and knowledge.</li> <li>- Pursuit for excellence</li> <li>- Be proud of achievements.</li> <li>- Promote fair play and respect.</li> <li>- Educate children to improve health and wellbeing.</li> <li>- Provide quality opportunities for children outside of school time.</li> </ul>					

Support for review and reflection - considering the five key indicators from DfE, what development needs are priority for your setting and your students now and why? Use the space below to reflect on previous spend, identify current need and priorities for the future.	
Key achievements to date:	Areas for further improvement and baseline evidence of need:
<ul style="list-style-type: none"> <li>• Participation in No Limits inclusion sports festival, aimed at encouraging SEND pupils in to competitive sports.</li> <li>• Greater number of children involved in sporting activities at lunch-time through engagement with sports coaches.</li> <li>• Awarded Young Hackney Award for raising participation within sporting activities.</li> <li>• Silver Mark by Youth Sports Trust and Sport England.</li> <li>• Wins in local tournaments in: Tennis, Basketball, Hockey, Table Tennis.</li> <li>• Pupils entering and representing Hackney in the Hackney District Team in football.</li> <li>• Wide range of extra-curricular activities for our pupils and families eg: Bike Around the Borough, Hackney Half Marathon, Family Bike Hub</li> </ul>	<ul style="list-style-type: none"> <li>• Improve depth of pupil voice regarding participation in sporting activities to include questions around barriers to participation and to act accordingly to reduce those barriers.</li> <li>• To raise awareness of the need to reduce sugar intake to maintain a healthy, active lifestyle through the work of the sugar smart ambassador.</li> <li>• To reduce the % of premium spent on sports coaches at lunchtime and further develop lunchtime and support staff as well as playground friends to provide additional physical activities at these times.</li> </ul>

Meeting national curriculum requirements for swimming and water safety	Please complete all of the below:
What percentage of your Year 6 pupils could swim competently, confidently and proficiently over a distance of at least 25 metres when they left your primary school at the end of last academic year?	82%
What percentage of your Year 6 pupils could use a range of strokes effectively [for example, front crawl, backstroke and breaststroke] when they left your primary school at the end of last academic year?	60%
What percentage of your Year 6 pupils could perform safe self-rescue in different water-based situations when they left your primary school at the end of last academic year?	56%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity <b>over and above</b> the national curriculum requirements. Have you used it in this way?	No The school has participated in additional swimming activities but these have not been funded through the Premium.

## Action Plan and Budget Tracking
