

HOME LEARNING

MAKER MAT

**Please return your completed activities by
Monday 21st May**

**Research how to
make an
electromagnet,
then give it a
try.**

**Make a poster
to warn people
about the
dangers of
electricity.**

**Research pinhole
cameras, then
make your own.**

**Make a chart that
compares the world
before and after
we learned how to
use electricity.**

Year 4

**Create a circuit
that lights up or
makes a sound.**

**E.g. a handheld
torch or a
doorbell.**

**Design and make
a battery-
powered toy.**

**Design and
make a model
town powered
by its own
source of
energy.**

**Make a 3D
model of the
inside of your
ear or eye.**
