Monday 4th June 2018

Dear Parents and Carers of Year 2,

Re: Come Learn With Me

We are delighted to invite you along to our Year 2 'Come Learn With Me' science session which is taking place on **Friday 15th June 2018**.

During our Come Learn With Me session parents and pupils will be accessing our new IPC topic "It's Shocking" with a hands on exploration of circuits and electricity. Are your ready, are you steady? To make a steady hand game! Be prepared because the hall will be BUZZing.

We would like to invite you to have lunch with the children at 12.15pm before we commence our amazing science project. Unfortunately we will have to charge you for the lunch at a cost of £3 per adult, this should be paid for in advance. If you are unable to join us for lunch you are still welcome to attend the Come Learn With Me session, this will commence at 1.00pm.

As we are limited by space, we would ask that only one parent from each family signs up for the class should you wish to join us. Children whose parents are not able to attend this session will also participate and will be supported by staff in the session, everyone will take part.

We do hope you will be able to come along and share this marvellous experience. Should you wish to attend the session, please complete the slip below and return your £3 for lunch as soon as possible.

Please note we are unable to accommodate any younger siblings at this event.

Many thanks for your support.

Best wishes

Sam Sharpe
 Deputy Headteacher

I would like to attend the Year 2 Come Learn With Me Science Session on Friday 15th June 2018.

I would like to stay for lunch and will ensure that a payment of £3.00 is paid in advance of the event.

My child is..... in Class.....

Signed..... Date.....
