Dear Parents and Carers,

Re: End of Academic Year 2017/2018

This academic year seems to have flown by, but once again we find ourselves at the end of another fantastic three terms. What an amazing year! I am very proud of all of our children and of the achievements that each individual has made this year. Grazebrook is a truly amazing school filled with remarkable children who achieve so much each and every day. The wealth of talent within Grazebrook is beyond belief. From our fantastic SATs results and pupil attainment, to our competitive sports achievements and awards in dance, music and drama we are truly outstanding. I feel incredibly privileged to have led this school through so many accomplishments and look forward to another year of excitements next year.

Of course none of these successes would have taken place without the dedication and professionalism of the Grazebrook staff members. Leading a creative and highly skilled group of colleagues has made the year so rewarding. Thank you to each and every one.

As always, at the end of a school year, we are forced to say farewell to some of our classteachers as we welcome new members of staff into Grazebrook. I am sure that you will join me in wishing our staff leavers lots of luck in their future careers whether they are leaving the federation or making the move to one of our other schools. The staff at Grazebrook are a wonderful team and they are sure to welcome new faces in September as I am sure you will too.

As teachers leave, we welcome new staff members into the school. I would like to take this opportunity to welcome our new Deputy Headteacher, Mr Duncan Kilty and Ms Dinah Williams, Assistant Headteacher. Our new teachers have met their new pupils at our 'Moving Up' morning on 12th July 2018 and are eager to get started in September. We will be arranging a 'Meet the Teacher' evening for early in the new term where you will be given the opportunity to meet your child's new classteacher and to hear about the exciting things we have planned for next year.

Our staff structure for 2018/2019 is displayed overleaf.
