This is the end of a great year, as we all look forward to summer we wanted to look back at some of the wonderful things that have happened over the last few months at school.

The **PSA Plant Sale** was a roaring success, **we raised £200 for the school**, and inspired a lot of young gardeners in the process. Goes to show that you don't always

need cake to draw a crowd (though ice lollies do help). And the results are for our Sunflower competition are in! **Congrats to Joe (4B) and Martha (6G) Stanners whose sunflower**

reached a whopping 156cm! We'll be in touch with Joe and Martha to hand over their £20 prize. It was lovely to see all of the happy gardeners with their plants, thanks for sending in your pictures.

Equally, the **Summer Fair** was a brilliant day for all, with parents and children pulling together a fantastic range of games and activities from chuck-a-sponge, t-shirt

making, craft and of course the raffle – so many great prizes donated by our local community. Huge thank you to Alexa Baracaia and Claire McMaster for their massive organising efforts, to Location Location for sponsoring us again this year, to Catherine Hyotte for expertly organising the raffle and to all the parents and children who took part on the day. We can reveal that despite record heat, and the World Cup match, **we raised a huge £5,500 for the school!** A big congratulations to everyone for all of their hard work, and hard play!
