

Tuesday 11th September 2018

Dear Parents and Carers,

I am delighted to announce that some Australian and Indian children, who in the past few years have been hosted by Federation parents are once again coming to the UK. Previous visits have proven to be a wonderful experience both for the hosted children and the hosts.

It was a great experience and the school has contacted me again to say they will be returning! So I am once again looking for some host families for our visiting children.

The visit will involve 23 children from Mahogany Rise Primary School, Fairhills Primary and Adhyapana School, who will be participating in a 2018 international exchange to our school before they travel to Paris. They will arrive on **Monday 29<sup>th</sup> October 2018 and will stay with their host families until Monday 5th November 2018**. During this time, they will attend our school and participate in activities that we are arranging for them.

I am hoping that families from Years 5 and 6 (as this is roughly the age of the children coming) will be happy to offer some accommodation in their homes as 'host' families while the children are with us.

In order to participate in this life changing project, the school has raised the money independently through fundraising. You can see more about this on their website as well as meet the children who are coming to stay with us.

[www.togetherwerise.com.au](http://www.togetherwerise.com.au)

If you have any questions about this or are happy to host some lovely children then please speak directly to your Headteacher. With only 23 children arriving in the group, not all pupils who offer to host will be able to. Therefore, the opportunity will be allocated to those who inform us first.

Thank you in anticipation of your support with this exciting event.

Kind regards,

*Nicole Reid*
