

HOME LEARNING MAKER MAT

Autumn 2 Reception Classes 2018

Imagine you are a toy maker. Create a toy that can move.

Make an eye spy bottle using rice and secret objects.

Create a Rangoli pattern for a special celebration

Build a character with marshmallows. How can you make it stronger?

Reception

Put some paint in water and freeze it. Can you create a masterpiece?

Make a model of a toy. Do you need soft or hard material?

Choose your favourite book. Can you make a "what happened next" picture book?

Roll marbles in paint. Can you create a firework display?

Please note you only need to complete only one or two activities. Return your completed activities by Monday 3rd December 2018.
