MAKER

MAT

Design your own super hero! Adapt one of your senses or body parts to a superpower and explain why.

Create a memory game!

Can you help someone to improve their memory?

Design a perfume.

What is your ideal smell?

Design some protective clothing to help you in a sporting activity .

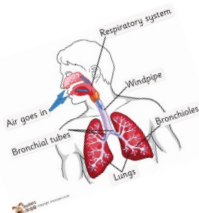

Year 2

Create a game about the human body.

How can you put the class to the test!

Create a poster or a model of a body part or organ.

Investigate your eyes or ears.

Look at the parts, colours, and size. Compare them to other humans or animals.

Create a multi-sensory art sculpture.
