Dear Parents and Carers

Summer Term 2019

I would like to take this opportunity to welcome you back to school after what I hope was a restful and enjoyable break. These first few days have been a great start to the new term with the children settling quickly back into the daily routine.

Although short, this term is set to be filled with lots of excitement and hard work. We are especially excited about our sustainability project which the children have started this week. Each year group has chosen a focus for the project which will end in a celebration from **2.00pm on Thursday 23rd May** throughout the school. Please keep the afternoon free. You will be sent more information in the coming weeks and will be able to see the great things the children do in the meantime by following us on **Twitter** at **@Grazebrook_Pri** to see all of our news and events.

Parents of Year 6 pupils will be aware that the children will be sitting their **SATs exams** during the week commencing **Monday 13th May**. In addition, pupils in Year 2 will also sit the KS1 SATs tests throughout the month of May. The children have worked very hard to prepare for the tests and we know that they will do their absolute best. We will be writing to parents in both year groups directly with further information.
