Friday 3rd May 2019

Dear Families,

Some amazing things have been happening at Grazebrook recently. As a school and as a Federation, we are passionate about providing opportunities which enrich pupils' experiences and which have a positive impact on their lives; this term really demonstrates that.

Thank you to all the families who attended the recent music performance. We all enjoyed listening to the fabulous piano recital in which pupils of all ages performed brilliantly. We have a wealth of musical talent at Grazebrook and we plan to tap into that energy by providing more opportunities like this in the future, so watch this space!

As well as this, pupils in Year 5 have been taking part in specialist athletics coaching at Mile End Stadium developing their skills in sprints, long distance running and jumping. They are really thriving with such expert coaching.

There are also incredible things happening in the classroom. Please come along to **The World We Want Project on Thursday 23rd May**, where pupils will be exhibiting the work they have done this term on climate change. You will be able to see how they have been engaging creatively with a wide range of issues like plastic pollution in the oceans and sustainable development.

We can all be extremely proud of our children, I'm sure you will agree! Thank you for your ongoing support with these and other exciting projects. I look forward to seeing you on the 23rd May.

Best wishes

Nicole Reid
Interim Executive Headteacher
