

HOME LEARNING

MAKER MAT

Please return your completed activities by Monday 1st July 2019

Create a healthy food poster.

Write a list or take photographs of wildlife and flowers you see in the park.

Create a leaf or tree rubbing.

Make a 3D insect using plasticine or junk modelling.

Reception

Write some interesting facts about birds.

Birds need gravity to swallow.

Draw what happens to your recycling when it gets collected.

Visit the Wetland Centre or a greenhouse and share photos of your trip with the class.

Plant some cress in a pot and record the growth.
