Dear Parents & Carers,

We are delighted to let you know that we will be upgrading the Nursery outdoor provision as part of our commitment in ensuring our children continue to access the highest quality outdoor learning experience. Working alongside the innovative children's play space design company Infinite Playgrounds (<https://www.infiniteplaygrounds.co.uk/>), we are developing the area to include more opportunities for sand and water play, climbing and imaginative and messy play.

The improvement work will commence on Monday 2nd March and should last 4 weeks. During this time, please be assured that your children will be kept safely clear of the site and will continue to play outside as well as in the Key Stage 2 playground at dedicated times of the day.

Mrs Hutchison will keep you updated in her weekly Bulletin. Until then, please do get in touch if you have any questions, and thank you in advance for your patience and support.

Kind regards

Nicole Reid
