Monday 9th March 2020

Dear Families,

Update : Early Years Play Space Project

We have some wonderful news to update you with! Phase one of our new natural playspace for our Nursery children has begun and is well underway. Comprising adventure climbing structures, raised mounds, slides and tunnels, our aim is to provide physical development and imaginative play opportunities for our youngest pupils.

The team are on track to have this completed by Easter and Mrs Ichim and her team are looking forward to inviting you for a Construction Stay and Play on 24th March 2020 at 9.00am.

“We have loved working with the children to design their play space and seeing their excited faces every day!” Josh Cuckoo, Installer from Infinite Playground

Phase 2 of the Project will be the creation of a sensational KS1 play area which will begin in the new academic year. As always we will keep you abreast of the latest developments through our weekly Bulletin on our school website.

Wishing you all a wonderful week.

Nicole Reid
Executive Headteacher
