

HOME LEARNING MAKER MAT

Write a book recommendation about a book you have read to be displayed in our class library.

Design a grid reference map of your local area with an overlaid grid. Include a key with symbols to represent landmarks and places.

Use the grid references on the map you have designed (left) to describe the journey between home and school. Take pictures as you do the journey to check that your directions are accurate.

Draw a map of the world accurately labelling the time zones and explaining the significance of the prime meridian.

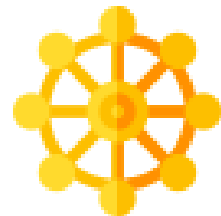

Year 5

Autumn 1

Research the Buddhist religious symbol. Draw it and write key facts and information in or around it.

Draw an aspiration tree. Record your aspirations for the new school year. Fill in each leaf with a personal goal you want to achieve.

Create your own CV presenting your achievement, experiences and your unique skills and strengths.

Create a poster to represent all your knowledge of Spanish language and culture.

Please complete at least 3 activities and return your projects by 16th October 2020
