

Dear Grazebrook Families,

We would like to thank you for your support and patience with our new arrangements as we welcomed all of our pupils back into school. Having taken into account all of your opinions and having experienced the challenges we face at the end of the day on the Grayling Road gate, we will be implementing gate changes for year 3 and time changes across several year groups. **These changes will commence on Wednesday 9th September.**

Please form a socially
distanced queue
Wear a mask
Leave promptly to
avoid gathering

Please do not gather in the road in front of the gate on Grayling Road. If you have a time gap due to collecting more than one child in different year groups, please consider waiting across the road or further down the street. We will bring the lines of children closer to the gate at their dismissal time so that teachers will be able to support with collection. **We are hopeful that moving Year 3 entry and exit to Yoakley Road (Nursery Gate) will relieve the pressure at the Grayling Road gate.** These time slots should allow for multiple drop offs at different gates for families with more than one child.
