Dear Grazebrook Families,

### **Grazebrook Parent Council**

We are seeking to re-establish a Grazebrook Parent Council that will provide a communication channel between the school and our families about issues concerning all our pupils.

The Parent Council will be made up of one parent/carer representative of each class and will meet with the headteacher or another member of the leadership team, initially in a virtual capacity, once a half term. Parent Council members will serve a one-year term, but are welcome to nominate themselves for further terms after the initial period is completed. We would love to see as many new faces as possible, however if you have already served on the Parent Council, you are also more than welcome to put yourself forward again.

### **Objectives of the Parent Council**

- Improve communication between families and the school.
- Ensure that views and experiences of families are heard by the school leadership team and governors and are considered in decision-making processes.
- Provide a forum through which the school leadership team and governors can consult with parents on whole school issues.
- Work with the school on initiatives that will benefit the students, families, and staff at Grazebrook.

If you feel that you are passionate about school life, are a skilled communicator and can build on community cohesion we would like to hear from you. Please email us telling us who you are, the class you would like to represent and why you would like to be part of the Parent Council to [gboffice@newwavefederation.co.uk](mailto:gboffice@newwavefederation.co.uk) no later than **9.00am on Monday 19th October 2020**. Please use the subject line: Parent Council followed by the class that you wish to represent. We look forward to hearing from you.

Kind regards

Katie Beecroft  
Headteacher
